

Sparkle Range

For real wow factor, just add sparkle! These are our most popular sparkling colours but any colour in our range can sparkle.

Metallic Range

These six stunning colours are all available in our metallic finish.

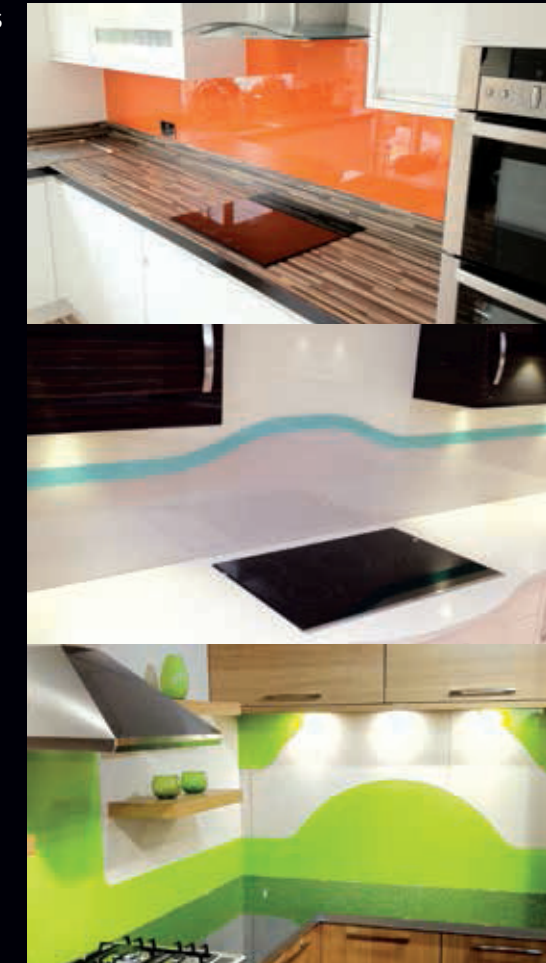

Satin Range

Get a contemporary look and feel with our satin finish. It's available in any colour; the ones shown here are the most popular.

Glass splashbacks and worktops add colour, reflection and a new dimension to any kitchen or bathroom. With over sixty years in the trade, Southern Counties Glass has a vast experience and knowledge of the innovative effects that glass can offer.

Our experienced team is customer-focused from conception to completion; dedicated to delivering the highest possible level of workmanship and service. We also use the very latest in digital technology to ensure quality and precision, enabling our customers to create stunning splashbacks and worktops that will stand the test of time.
